or   or
printlux® easy panel 430 B1   **filmolux® PP sand**

+

Preconditions:

All materials of this quality certificate are designed and manufactured under ISO 9001:2008 by Neschen AG in Germany. The media combinations listed here ensure an optimal panel production for modern Pop Up Systems. All tests conducted under controlled climatic conditions; 23/50-2, DIN 50014. Neschen AG provides its full support to the total replacement of the materials at no cost whenever a certain product failure occurs.

Complete details of the quality certificate are provided in the technical datasheets and instruction bulletins on the homepage: www.neschen.com.
