Re-board® Premium Black Core is an exclusive all-black lightweight, yet exceptionally strong and fully recyclable paperboard. The unique engineered fluted core of Re-board® products ensures excellent planar flatness combined with design flexibility to create almost any shape.

Re-board Premium Black Core

The product has an exclusive matte black top layer finish. The core of the product has the same qualitative black hue, giving the product an exquisite finish.

Re-board® Premium Black Core has the same 3D qualities as other boards, and make for wonderful creations both stand alone and as accents to other Re-board® constructions.
