

# Avery Dennison® Conspicuity Tape

The reflective tape you choose matters

Enhance night-time safety with the superior reflectivity performance of V-6700 Conspicuity Tapes. This product increases the visibility of trucks and trailers during night-time driving. It can help to reduce accidents, prevent injuries and decrease related costs such as repairs and insurance expenses. V-6700 Conspicuity Tapes are durable, easy to apply, provide superior night-time reflectivity and are available in 3 colours - white, yellow and red.

## V-6700 B Conspicuity Tape for Rigid Surfaces

ECE-104 Class C compliant

- > 8 years durability
- > Increases visibility and safety of vehicles
- > Fast and easy application
- > Omnidirectional - apply in any orientation for consistent performance (unique to Avery Dennison)
- > Solid metallic layer: resists water, dirt and reflectivity loss from dents

## V-6790 Conspicuity Tape for Flexible Surfaces

ECE-104 Class C compliant

- > 3 years durability
- > Single layer construction does not require edge sealing
- > Provides exceptional all-distance viewing at dawn, dusk, and night
- > Die cut contour marking separated by small gaps allow curtains to be opened easier
- > Integrated application tape allows contour marking to be applied as one piece

### V-6700 B Conspicuity Tape for Rigid Surfaces

V-6700B Series Conspicuity Tape is designed for easy night-time vehicle recognition and increased road safety. We've paid attention to every detail to ensure a superior product that's easy to apply and made to last.

### V-6790 Conspicuity Tape for Flexible Surfaces

Conspicuity Tape for Flexible Surfaces adheres securely to curtains, allowing it to withstand typical challenges during rolling and unrolling. Save time and money, reducing the need for re-application.

### Customized Logo Conspicuity Tape for more brand awareness

V-6790 for flexible substrates and V-6700B for rigid surfaces can both be produced with a customized logo for increased brand awareness.
