Wrap films that suit your style.

You've always been bold, a leader – that's your style. 3M[™] Wrap Film helps you express it, in a wide range of colors, patterns and textures.

High Gloss finish.

More boldly than ever, you can help your customers express their styles too. High gloss films deliver 250% better reflective image quality vs. typical cast vinyl – a truly smooth, mirror-like finish.⁺

Optimized adhesive.*

3M[™] Wrap Film features a new advanced adhesive, with reduced initial tack and improved air release technology. So you can position, reposition and smooth out bubbles more easily than ever, without all the rework. Get ready for an exceptional installation experience.

A Protective Film Layer.

Gloss and high gloss colors feature a Protective Film Layer that stays on during installation to reduce surface impressions and scratches. 3M[™] Wrap Films are highly conformable – they wrap smoothly around curves and in channels for sleek appearance and easier installation.

Comprehensive warranty.

Give your customers protection and confidence with a 3M[™] MCS[™]-backed warranty.**
