

TESLAFLEX ONE

ANOTHER CREATIVE PRODUCT FROM PAPER-GRAPHICS.COM

Overview:

PMAG | 655gsm | Teslaflex Printable Magnetic

The latest addition to the hugely popular 'Teslaflex' range, Teslaflex One is an all in one flexible magnet with a PET printable surface ready and waiting for all your creative ideas. Perfect for any business that has a continuous change to product and or service where promotional messages are key. All you need is a metal surface for simple no fuss graphics at your fingertips that are easily interchangeable by everyone.

- Once printed can be cut down to make smaller display magnets for 'white appliances' such as fridges.
- Anti-glare matt finish ideal for retail displays.
- Easy to apply, remove and change for no fuss graphics.
- Perfect for durable indoor advertising and promotions.

Applications.

The ideal choice for quick change effortless graphics - point of sale, product displays and advertising.

Weight/thickness and compatibility.

655gsm/300mic. Compatible with solvent, Eco-solvent, UV-Curable and latex ink technology.

Usage and durability.

This product has been designed for easy, no fuss application of graphics for indoor display areas. Please note Teslaflex One is not for use as vehicle signage, for this a thicker micron/stronger magnet must be used.
